4 / ANGLE GRINDERS

We have a HUGE range of angle grinders to suit all your needs! See our best sellers here...

5 / CUTTING SHROUDS

Cutting shrouds to provide a dust extraction port for your angle grinder.

6 / WALL CHASERS

Make two parallel cuts simultaneously with these machines.

7 / ANGLE GRINDER BLADES

Massive range of 4-9" blades suitable for use on angle grinders: Handyman, Universal, Raised Hub, Professional, Granite, Crack Chaser, Tuck Point, Fire & Rescue, Metal Cutting.

10 / TILE CUTTING

Tile cutting is so easy with our diamond saws.

11 / TILE BLADES

4-14" tile blades suitable for use on angle grinders and tile saws: Professional, Thin Cutting, Special Mesh.

12 / BRICK / BLOCK SAW BLADES

14-20" blades to suit stationary brick & block saws.

13 / HANDHELD SAWS

Power cutters / quick cut / demo saw machines.

14 / GUARDA

Work hard & breathe easy with Guarda's product range.

15 / WATER SUPPLY

Stop the dust flying with our water supply units.

16 / HAND SAW BLADES

HUGE range of 12-16" blades suitable for use on handsaws & brick saws: Trade, Professional, Fire & Rescue, Kombo, Wide Cutting.

18 / ROAD SAW

Check out our great value floor saw machine.

19 / ROAD SAW BLADES

18-42" road saw blades: Professional, Kombo, Asphalt.

21 / RING SAW BLADES

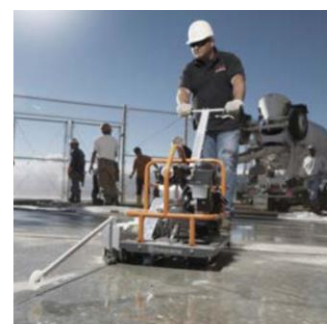

Pre-cut blade, ring saw blade and accessories.

22 / SOFT CUTTING

Petrol powered machines for cutting green / fresh concrete.

23 / EARLY ENTRY BLADES

Soft cutting blades to suit Husqvarna, Smart, Cardinal/Warrior and replacement skid plates.

ABOUT Smart Diamond Tools

Smart Diamond Tools is a leading manufacturer and supplier of high quality diamond tools and machinery. Australian owned and family run, we established in Melbourne in 1989 and have been supplying the concreting and construction industries throughout Australia for 30 years. Visit us in store or call now on for Australia wide delivery.

Free shipping for orders over \$400 (*excludes machinery, liquids & adaptor plates)

ANGLE GRINDERS

Smart Diamond Tools stocks an extensive range of quality angle grinders to suit all needs from the brands pictured below. Call us on 1300 763 328 or check out the website for our current range.

metabo

DEWALT

HIKOKI

E E EIBENSTOCK

A sample of our best sellers...

Metabo W24-230MVT - \$295.00

230mm angle grinder

9" (230mm) grinder with Marathon motor and patented dust protection for long service life. Features deadman switch, tool-free adjustable guard, anti-vibration handle and rotating rear handle.

Metabo WEV15-125INOX - \$380.00

125mm angle grinder

5" (125mm) robust, powerful grinder with high gear reduction and adjustable reduced speed for cool finish. Features Marathon motor, VTC full-wave electronics, M-quick tool-free disc change and S-automatic safety clutch.

Metabo WEA17-125 - \$395.00

125mm angle grinder

The power of a larger grinder and compactness of a small one. Features Marathon motor, TC full-wave electronics, M-quick tool-free disc change and S-automatic safety clutch.

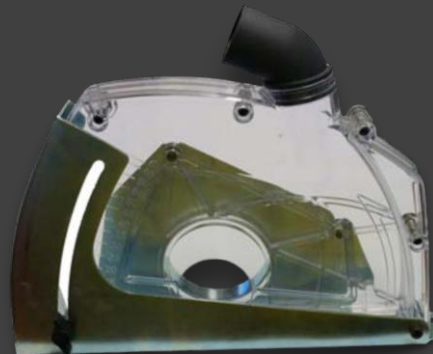

Motor:	2400W
No-Load Speed:	6600rpm
Disc Diameter:	230mm
Weight:	5.8kg

Motor:	1550W
No-Load Speed:	2000-7600rpm
Disc Diameter:	125mm
Weight:	2.5kg

Motor:	1700W
No-Load Speed:	11000rpm
Disc Diameter:	125mm
Weight:	2.5kg

CUTTING SHROUDS

Reduce exposure to dangerous debris, crystalline silica and dust particles that can cause health issues when cutting stone and concrete with our shrouds. Provides a dust port to attach dust extractors to angle grinders.

AD5 - \$69.00

Suits 125mm grinder with adjustable clamp sizes 40-44mm, 43-47mm and 48-51mm available. Hard plastic and metal cutting shroud. Adjustable cutting depth with locking wing nut (5-67mm). 38mm vacuum port

AD9 - \$89.00

Suits 230mm grinder with adjustable clamp to suit sizes 83-90mm. Hard plastic and metal cutting shroud. Adjustable cutting depth with locking wing nut (5-67mm). 38mm vacuum port

METCED125+ - \$240.00

Suits Metabo's 125mm corded grinders. Extraction hood with plunge function and optimised flow channel for particularly low-dust cutting both indoors and out. Cutting depth adjustable without tools. Guide rails also available (sold separately). 35mm vacuum port.

WALL CHASERS

metabo

Metabo MFE65 - \$1,760.00
9" wall chaser

Metabo MFE40 - \$1,150.00
5" wall chaser

Suitable for quick and clean cutting of wall chases with cutting depths up to 65mm. Features Metabo Marathon motor with patented dust protection and electronic overload protection for long service life.

Suitable for quick and clean cutting of wall channels with cutting depths up to 40mm. Delivers maximum work progress by means of the powerful motor, constant speed and two-speed high-performance gear. Pushing cut for optimal view of the marking line.

Motor:	2400W
No-load Speed:	6500rpm
Blade Dia:	230mm
Groove Width:	3-41mm
Cutting Depth:	20-65mm
Weight:	9.8kg

Motor:	1900W
No-load Speed:	5000rpm
Blade Dia:	125mm
Groove Width:	9-35mm
Cutting Depth:	10-40mm
Weight:	4.6kg

E E EIBENSTOCK

Eibenstock EMF180 - \$1,690.00
7" wall chaser

Eibenstock EMF125 - \$830.00
5" wall chaser

Suitable for milling of slots and ducts in concrete, sand-lime brick and brick. Slim design, work up to 15mm from the edge. Slot width adjustable in 1mm increments.

Handy and lightweight, for cutting of slots and ducts in sand-lime brick and brick. Slim design, work up to 10mm from the edge. Slot width adjustable in 1mm increments.

Motor:	2300W
No-load Speed:	3,100rpm
Blade Dia:	180mm
Max Groove Width:	46mm
Max Cutting Depth:	60mm
Weight:	7.5kg

Motor:	1400W
Rated Speed:	10,000rpm
Blade Dia:	125mm
Max Groove Width:	30mm
Max Cutting Depth:	30mm
Weight:	3.5kg

ANGLE GRINDER BLADES

Blades suitable for use on angle grinders

HANDYMAN BLADES

General purpose segmented diamond blades for the budget conscious - great value for money! Suitable for wet or dry cutting of masonry, concrete, asphalt, brick, block and other building materials.

4" (105mm) - \$12.00	HM4
4.5" (115mm) - \$14.00	HM4.5
5" (125mm) - \$15.00	HM5
7" (180mm) - \$22.00	HM7
9" (230mm) - \$30.00	HM9

UNIVERSAL BLADES

General purpose turbo diamond blades for use wet or dry. Suitable for cutting most materials.

4" (105mm) - \$11.00	HPABW4
4.5" (115mm) - \$13.00	HPABW4.5
5" (125mm) - \$16.00	HPABW5
6" (150mm) - \$22.00	HPABW6
7" (180mm) - \$30.00	HPABW7
9" (230mm) - \$35.00	HPABW9

RAISED HUB BLADES

General purpose turbo diamond blades for use wet or dry. Fast cutting for a smooth finish. Suitable for cutting concrete and masonry.

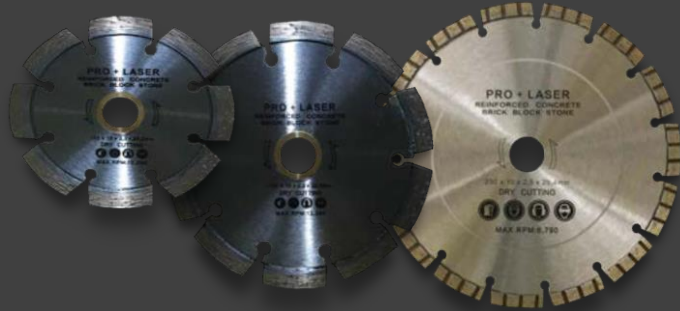

4" (105mm) - \$15.50	RH4
5" (125mm) - \$22.00	RH5
7" (180mm) - \$35.00	RH7
9" (230mm) - \$55.00	RH9

ANGLE GRINDER BLADES

PROFESSIONAL CUTTING BLADES

Professional laser welded segmented diamond blades. 10mm high segments for dry cutting of brick, block, pavers, concrete, masonry, etc.

4" (105mm) - \$40.00	LTS4
5" (125mm) - \$50.00	LTS5
6" (150mm) - \$60.00	LTS6
7" (180mm) - \$70.00	LTS7
8" (200mm) - \$80.00	LTS8
9" (230mm) - \$90.00	LTS9

GRANITE BLADES

Professional diamond blades suitable for dry cutting of granite, marble and hard stone. Features deep sided segments.

4" (105mm) - \$25.00	GRAN4
4.5" (115mm) - \$30.00	GRAN4.5
5" (125mm) - \$35.00	GRAN5
7" (180mm) - \$50.00	GRAN7
9" (230mm) - \$65.00	GRAN9

CRACK CHASER BLADES

V-segment crack chaser blades are designed to widen and clear out cracks before repair materials are used. 9.5mm wide diamond segments.

4" (105mm) - \$65.00	CCB4
5" (125mm) - \$80.00	CCB5
7" (180mm) - \$110.00	CCB7

ANGLE GRINDER BLADES

TUCK POINT BLADES

Diamond tuck point blades for the removal of mortar from masonry joints. Segments are 6.4mm wide.

4" (105mm) - \$65.00	TUCK4
5" (125mm) - \$80.00	TUCK5
7" (180mm) - \$110.00	TUCK7

FIRE & RESCUE BLADES

Multi-purpose vacuum brazed diamond blades for quick and effective cutting of a wide range of materials e.g. metal, masonry, concrete, plastic, etc.

5" (125mm) - \$45.00	VBA125
9" (230mm) - \$110.00	VBA230

METAL CUTTING DIAMOND BLADE

Metal cutting iron blade, vacuum brazed diamonds to steel core. Outlasts the life span of many abrasive blades without losing cutting depth.

5" (125mm) - \$45.00	VSAB125
----------------------	---------

METAL CUTTING ABRASIVE BLADES

We stock a large range of metal cutting abrasive blades from 4" to 16". Call us on 1300 763 328 or check out our website for current stock.

Eibenstock EDS125 - \$540.00
Handy diamond saw

Suitable for wet and dry cutting of tiles, stone, pavers and concrete. Features mitre adjustment (stepless up to 45 degrees) and cutting depth adjustment (stepless up to 36mm) without the need for tools. Integrated water supply with flow regulator, roller guided plate and 35mm vacuum port. Optional guide rails available in 750 & 1500mm.

Motor:	1250W
No-load Speed:	12500rpm
Blade Dia:	125mm
Spindle:	22.2mm
Weight:	2.9kg

Eibenstock EDS181 - \$1,540.00
200mm wet/dry saw

The most powerful in its class! Suitable for wet and dry cutting of tiles, stone, pavers and concrete. Features mitre adjustment (stepless up to 45 degrees) and cutting depth adjustment (stepless up to 63mm) without the need for tools. Integrated water supply, roller guided plate and 35mm vacuum port. Optional guide rail available.

Motor:	2300W
No-load Speed:	7500rpm
Blade Dia:	200mm
Spindle:	22.2mm
Weight:	7.7kg

Blades suitable for use on angle grinders and tile saws

TILE BLADES

Continuous rim professional quality diamond tile blades for cutting porcelain, ceramic, terracotta and granite tiles. Produces a smooth, clean cut. Suitable for use wet or dry on angle grinders or tile saws.

4" (105mm) - \$15.00	TC4
4.5" (115mm) - \$20.00	TC4.5
5" (125mm) - \$25.00	TC5
6" (150mm) - \$35.00	TC6
7" (180mm) - \$45.00	TC7
8" (200mm) - \$50.00	TC8
9" (230mm) - \$60.00	TC9
10" (250mm) - \$75.00	TC10
12" (300mm) - \$110.00	TC12
14" (350mm) - \$130.00	TC14

THIN TILE BLADES

Premium quality thin turbo diamond tile blades designed for FAST cutting of hard tile materials. Suitable for dry cutting on angle grinders.

4" (105mm) - \$20.00	TT4
4.5" (115mm) - \$25.00	TT4.5
5" (125mm) - \$30.00	TT5
7" (180mm) - \$40.00	TT7
9" (230mm) - \$50.00	TT9

SPECIAL MESH TILEBLADES

Special mesh thin turbo diamond tile blades for FAST SMOOTH cutting of hard tile materials. Suitable for dry cutting on angle grinders.

4" (105mm) - \$20.00	TC4SP
4.5" (115mm) - \$25.00	TC4.5SP
5" (125mm) - \$30.00	TC5SP

BRICK/BLOCK SAW BLADES

Eibenstock EST350.1 - \$1,005.00

Cutting saw

Suitable for cutting bricks, block, stone, concrete, etc. Handy and flexible machine, precise and dust-free for dry cutting. Maximum cutting depth of 120mm and maximum cutting length of 250mm. Features adjustable quick clamping device, spindle lock, transportation lock in hinged position, angular stop stepless adjustable 0-45 degrees, starting current limiter and 35mm vacuum port.

Motor:	2400W
No Load Speed:	3,900rpm
Blade Dia:	350mm
Spindle:	25.4mm
Weight:	19kg

Blades suitable for use on stationary brick and block saws

BRICK/BLOCK SAW BLADES

Silent diamond saw blades for cutting brick, block, pavers, etc. Laser welded fast cutting 15mm segments for professional and fast cutting.

Size:	Description:	Code:
14" (350mm)	General purpose, medium	S14GP-\$270
	Hard clay brick/Austral	S14H-\$270
	Soft brick/sandstone	S14S-\$270
16" (400mm)	EHWA general purpose	EHS16GP-\$310
	EHWA hard clay brick	EHS16H-\$310
20" (510mm)	Hard clay brick block saw	S20BH-\$500
	General purpose, medium	S20B-\$500

HANDHELD SAWS

HIKOKI

Hi Koki CM75EBP(HA) - \$1,200.00
14" handheld cutter

Powerful and tough, Hi Koki's handheld cutter is powered by the new PureFire 2-stroke engine, producing low emissions and 30% less fuel consumption. Features cutting wheel water injection, decompressor easy starting system, on-board tool holder, tool-less pre-filter and reduced vibrations.

Motor:	3.9kW 75cc
Blade Dia:	355mm
Cutting Depth:	125mm
Weight:	10.6kg

E EIBENSTOCK

Eibenstock ETR350P - \$2,210.00
350mm concrete cutting saw

Eibenstock's powerful wet/dry cutting system suitable for concrete, brick and natural stone. Features 35mm nozzle for direct connection to Eibenstock's industrial vacuums, wide supporting rolls for exact guiding and adjustable handle and hood. Optional accessories include cutting depth limiter, guide rail and edge adaptor.

Motor:	2700W
Blade Dia:	350mm
Cutting Depth:	130mm
Weight:	12.5kg

Guarda FTR095 - \$995.00
Power Cutter

Connects to the Guardia Fume Tube for cutting indoors or in enclosed spaces where exhaust fumes can create a hazard. Suitable for general purpose concrete cutting. Lightweight for ease of use.

Guarda Edge - POA
Power Cutter

Features tri-vac technology - silica dust control via a combination of water delivered to the blade guard and vacuum suction; helps move harmful fumes via vacuum suction & hose attachment to the muffler; slurry control via vacuum suction to the blade guard. Fumes, dust & slurry are moved down the same hose. Suitable for general purpose concrete cutting.

Guarda Fume Tube - \$129.00

Attaches to combustion powered concrete saws to help move harmful fumes away from the operator. Quick and easy to setup.

Motor:	4kW 95cc
Blade Dia:	410mm
Cutting Depth:	150mm
Weight:	11.75kg

Motor:	4kW 95cc
Blade Dia:	380mm
Cutting Depth:	150mm
Weight:	11.75kg

WATER SUPPLY

GS18AS - \$259.00
10L backpack sprayer

Battery operated backpack sprayer with 10L tank, suitable for use with water and water-based products. 2-speed operation. Includes 1 x battery and charger. Spare batteries sold separately.

GS1830AS - \$389.00
30L sprayer

Battery operated sprayer with 30L tank, suitable for use with water and water-based products. 2-speed operation. Includes 1 x battery and charger. Spare batteries sold separately. Standard hose fitting can be installed on request.

Makinex H2G2 - \$315.00
Hose 2 Go

A constant pressure water supply unit, ideal as a dust suppression tool and portable water supply. Provides a constant water flow without the use of a pump, battery or electronics. Perfect for suppressing dust when cutting, core drilling and grinding concrete. Pressurised sprayer with 7 settings. Fills in 40 seconds from average spigot.

Battery:	18V 2.2Ah Sanyo li-ion
Liquid Flow:	1.8L/min
Weight:	3.3kg
Dimensions:	340x205x560mm

Battery:	18V 2.2Ah Sanyo li-ion
Liquid Flow:	3.5L/min
Weight:	9.5kg
Dimensions:	460x330x850mm

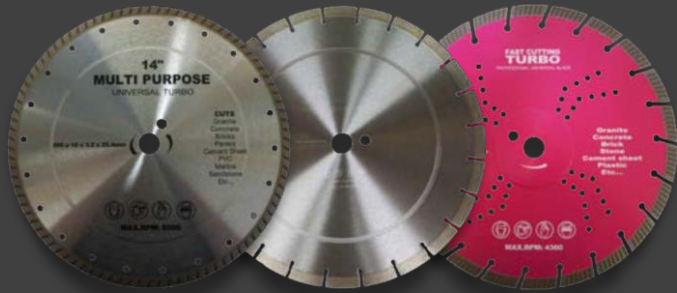

Tank Capacity:	13.8L
Output Pressure:	9psi
Weight:	5.7kg dry, 19.5kg full
Dimensions:	325x144x800mm

HAND SAW BLADES

Blades suitable for use on quick cut saws (hand saws) and brick saws

TRADE BLADES

General purpose diamond blades for wet cutting.
Suitable for cutting most materials.

Size:	Description:	Code:
14" (350mm)	Universal turbo	HPABW14-\$100
	12mm segments	SP14Y-\$150
	Raised hub	RH14-\$170
16" (400mm)	12mm segments Raised hub	SP16Y-\$180 RH16-\$200

PROFESSIONAL BLADES

Professional cutting diamond blades with laser welded segments.

Size:	Description:	Code:
12" (305mm)	10mm segments	SP12-\$200
14" (350mm)	12mm segments RED DEVIL	RD14-\$230
	12mm segments RED DEVIL for Stihl saws	RD14S-\$230
	10mm segments	SP14-\$230
	10mm segments for asphalt/green concrete	SP14A-\$230
15" (380mm)	10mm segments for same day green concrete	SP14E-\$230
	14mm segments RED DEVIL for Guarda Edge Saw	RD15-\$250
16" (415mm)	14mm segments RED DEVIL	RD16-\$270
	14mm segments RED DEVIL for Stihl saws	RD16S-\$270
	14mm very soft segments for use on hydraulic/high frequency saws	RD16HF-\$300
	12mm segments EHWA (416mm)	EH16-\$270
	12mm segments for asphalt/green concrete	SP16A-\$230
	12mm segments for same day green concrete	SP16E-\$230

HAND SAW BLADES

FIRE & RESCUE BLADE

Multi-purpose vacuum brazed diamond blade for quick and effective cutting of a wide range of materials e.g. metal, masonry, concrete, plastic, etc.

16" (400mm) - \$275.00

RES16

KOMBO BLADES

Perfect for professional and hire use, a great all-round blade suitable for cutting concrete, brick and asphalt. Laser welded segmented blades with 10mm diamond segments.

14" (350mm) - \$175.00

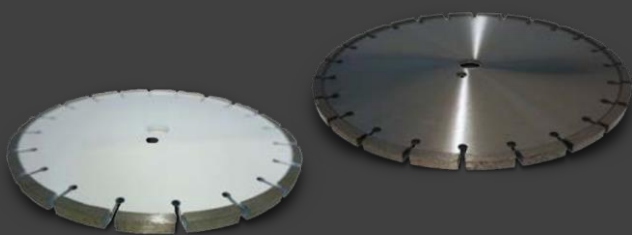

AH63014

16" (410mm) - \$200.00

AH63016

WIDE BLADES

Professional segmented diamond blades for where a wider cut is needed.

Size:	Description:	Code:
12" (300mm)	10mm wide	WB12-\$490
14" (350mm)	6.4mm wide	WB14-\$395
	10mm wide	WB14W-\$450
16" (415mm)	6.4mm wide	WB16-\$450
	10mm wide	WB16W-\$495

Have a Stihl branded quick cut saw? We can help!

Our brass reducers 25.4mm-20mm allow you to use our 12", 14" & 16" blades on your machine.

**AMAZING
VALUE!!!**

RS20
20" road saw

Walk-behind concrete road saw with 20" blade capacity, suitable for cutting/grooving concrete and asphalt. Adjustable cutting depth by handle rotation up to 190mm. Features adjustable handle and 25L water tank.

Motor:	Honda GX390U 13HP
Speed:	2800rpm
Blade Dia:	500mm
Spindle:	25.4mm
Weight:	131kg
Dimensions:	1150x570x1030mm

ROAD SAW BLADES

Blades suitable for use on road saws

PROFESSIONAL BLADES

Professional cutting diamond blades with laser welded segments for use on road saws. Suitable for cutting most materials.

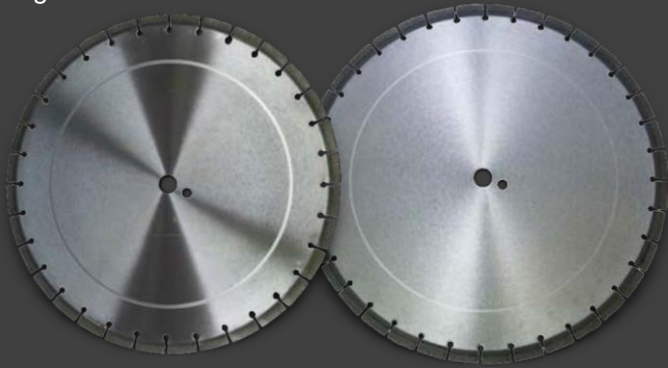

Size:	Description:	Code:
18" (450mm)	12mm segs 42-65HP for medium/hard reinforced concrete/exposed aggregate	SP18K3-\$425
	12mm segs for medium/hard reinforced concrete LOW 25-35HP	SP18L-\$425
20" (510mm)	15mm segs C805 for medium/hard reinforced concrete	C805-\$465
	15mm segs CA25 for fast cutting	CA25-\$495
	12mm segs EHWA for medium/hard reinforced concrete LOW 15-35HP	EH20L-\$395
	14mm segs for hard concrete 14mm segs for hard concrete LOW 15-35HP	RSB20-ULTRA-\$425 RSB20L-ULTRA-\$455

42" (1040mm)	14mm segs for hard concrete	RSB42-ULTRA-\$1,645

ROAD SAW BLADES

KOMBO BLADES

Perfect for professional and hire use, a great all-round blade suitable for cutting concrete or asphalt. Laser welded segmented blades with 10mm diamond segments.

18" (450mm) - \$250.00	AH63018
20" (510mm) - \$280.00	AH63020

ASPHALT BLADES

Professional diamond blades with laser welded segments for the cutting of asphalt, green or early entry concrete.

Size:	Description:	Code:
18" (450mm)	12mm segments	ASH18-\$365
	12mm segments LOW HP 15-35HP	ASH18L-\$365
20" (510mm)	12mm segments	ASH20-\$395
	12mm segments LOW HP 15-35HP	ASH20L-\$395
24" (610mm)	12mm segments	ASH24-\$495
26" (660mm)	12mm segments	ASH26-\$599
30" (760mm)	12mm segments	ASH30-\$795
36" (910mm)	12mm segments	ASH36-\$995

RING SAW BLADES

PRE-CUT BLADE PC16 - \$450.00

16" (415mm) professional blade with 12mm laser welded fast-cutting segments. Suitable for cutting medium to extra hard reinforced concrete.

RING SAW BLADE RSB - \$295.00

365mm "Red Devil" premium diamond ring saw blade for use with ring saws. Cut concrete and other materials deeper than regular diamond blades. 4mm wide segments. Made to Australian professional standards. Comes with 1 x drive wheel.

RING SAW BLADE ACCESSORIES

Accessories for use with ring saws.

Drive wheel - \$20.00	RSBW
Husqvarna guide/engagement roller - \$100.00	H506352005
Husqvarna support roller - \$100.00	H506352103

SOFF CUTTING

Smart HSCC6.0 - \$3,500.00
Early Entry Saw

Allows cuts to be made while the concrete is still green (early entry). The cutter can be used as soon as the concrete can support the weight of the machine and user without leaving any marks to the surface (usually within 1-2hrs of finishing). Features robust frame construction, low noise blade housing, easy access to blade shaft spanners and folding handle for easy transportation.

Motor:	Robin EX13 4 stroke petrol 4.3kW
Blade Dia:	150mm
Cutting Width:	2.4mm
Max Cutting Depth:	30mm
Weight:	35kg
Dimensions:	1125x490x947mm

Husqvarna HX150 - \$3,800.00
Soff-Cut Saw

Enables concrete to be cut within the first one or two hours of finishing and before final set. Minimises the risk of random cracking and simplifies the working process, compared to conventional sawing. Feathers high-strength single piece frame, dust extraction port and low-noise blade enclosure, folding handle and retractable front guide system.

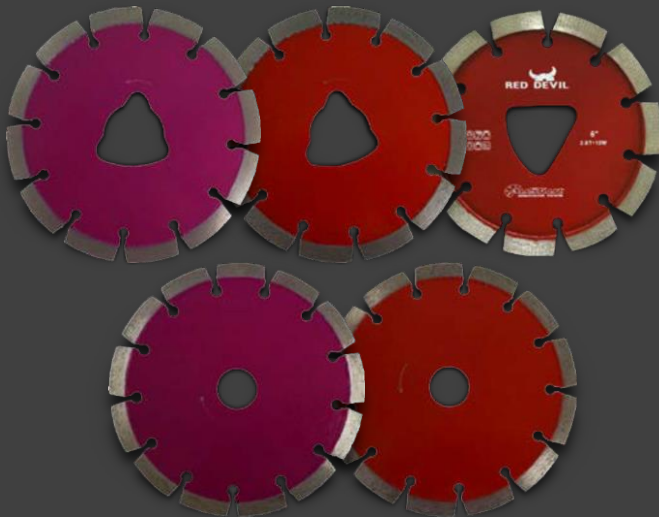

Motor:	Robin EX13 4 stroke petrol 4.3hp
Blade Dia:	150mm
Cutting Width:	2.4mm
Max Cutting Depth:	30mm
Weight:	40kg
Dimensions:	1727x480x850mm

EARLY ENTRY BLADES

TO SUIT HUSQVARNA/Smart

Professional diamond blades designed for cutting new or green concrete. Suitable for use on the Husqvarna X150 Soff-Cut Saw and Smart HSCC150 Soft Concrete Cutter.

1000 Series (PURPLE) = same day cutting
3000 Series (RED) = next day cutting

To Suit Diamond Products/Tyrolit

Professional diamond blades designed for cutting new or green concrete. Suitable for use on Diamond Products early entry saws.

SKID PLATES

Replacement skid plates suitable for the Husqvarna X150 Soff-Cut Saw and Smart HSCC150 Soft Concrete Cutter.

Size:	Description:	Code:
6" (150mm)	2.4mm wide PURPLE	SC6P-\$80
	6.4mm wide PURPLE	SC6PW-\$99
